ST. MARY'S NURSERY SCHOOL

EnergyWorks Select Partnership

St. Mary's Nursery School and St. Mary's Episcopal Church invite you to an EnergyWorks Select Partnership Presentation to learn how to make your home more comfortable and improve your community while saving energy and money through energy efficiency improvements.

More than 600 of your neighbors have already benefitted from EnergyWorks. Will you?

"This was about improving the comfort of my family. There's an unbelievable difference. The best part is, I'm no longer a hostage in my home. "

- Christopher, Homeowner, Yardley, PA

"I couldn't wait for winter this year. I knew I'd have way lower energy bills and my house would be much more comfortable. So comfortable, I hosted Thanksgiving here for the first time ever. "

- Sade, Homeowner, Mt. Airy-Philadelphia

"I could live with a drafty house if I had to. But I heard about EnergyWorks through a sustainable living magazine I write for called GRID, and I knew it was just too good a deal to pass up. At 0.99% it would practically be a free loan, so I figured I had nothing to lose. I am very satisfied. "

- Samantha, Homeowner, West Powelton

Saturday, February 18, 2012

10:00 am – 11:30 am

EnergyWorks

ENERGY EFFICIENCY IMPROVEMENTS
ENERGYWORKSNOW.COM

EnergyWorks is a program of the Metropolitan Caucus – a coalition of Commissioners and Councilmembers from Bucks, Chester, Delaware, and Montgomery Counties and the Mayor of Philadelphia – and is supported by a grant from the US Department of Energy's Better Buildings Program.

EnergyWorks relies on the support of critical operating partners to provide services and make loans. These include the Keystone HELP program and AFC First Financial, the Energy Coordinating Agency, The Reinvestment Fund, and the Philadelphia Development Corporation.
